

First Name: _____ Last Name: _____

Landscape NTI Grid

Instructions: Every Tuesday and Thursday that we miss school, PICK ONE activity to complete. Record the date you complete each assignment. You may complete and turn in items on Google Classroom digitally (NTI Grid assignment), or attach them all to this page if you complete them on paper. You are expected to have 2 assignments completed EACH WEEK missed, due the day that we return to school or the days you are instructed to turn them in.

<p>Planting Seeds Gather supplies needed to plant some seeds. Keep these indoors until mid-April. Follow the directions on the packet. Record the following information: Name (and variety) of crop you planted, how deep you planted the seeds, water requirements, light requirements, number of days until the seedlings emerge. Bonus if you capture a picture daily! *Let Mrs. Allen know if you need seeds! Date: ____/____/20</p>	<p>DIY landscaping Pick a yard, or a flower bed, at home or for someone else and Clean up the landscaping. This can include raking leaves, mowing, weed-eating, laying mulch, planting new plants along with many other tasks! Take a before and after picture and turn it in on Google Classroom. Date: ____/____/20</p>	<p>Volunteer Landscaping Volunteer to help someone in the community with their yard. The elderly, churches, and schools are always great people/places to ask if they need help. Take a before and after picture of the area you landscaped as well as a picture with the person that you helped and turn it in on Google Classroom. Date: ____/____/20</p>	<p>Plant Hardiness Zones https://planthardiness.ars.usda.gov/PHZMWeb/Default.aspx x Different plants prefer different Climates. The link above will take you to the USDA plant hardiness map. The different colors and their corresponding numbers represent different climates. Choose 5 states, Look up their capitals and on a sheet of paper write down the state, it's capital and what zone their capital is in. Date: ____/____/20</p>
<p>Nature Walk Take a minute to go outside. Walk through your yard and observe all of the plants around you. As you go on your walk you will probably notice there are many different kinds of weeds (aka unwanted plants...) in your yards. Pick one, take a picture of it, try looking up what it is. Turn in the picture of the weed you found along with the name of it. Date: ____/____/20</p>	<p>Local Plant Tour: The next time that your family goes to Walmart or Lowes take a look in the flower section, Find a plant that you like or think we should put in the FCHS Landscape. Take a picture of the Plant as well as the Plant tag and turn it in! Date: ____/____/20</p>	<p>At Home Soil testing: https://www.youtube.com/watch?v=UoD-cUMkRZY https://www.youtube.com/watch?v=hmH0XoRp2P8 Watch the videos I've linked above. Go outside and take a soil sample following the direction given in the video. Take a picture of your jar with a ruler beside it and turn in your pictures and calculations. Date: ____/____/20</p>	<p>How to Start seeds Indoors https://www.youtube.com/watch?v=zAZH62XgAJ0 Watch the video I've linked above and write down 10 facts that you learned about planting seeds! Date: ____/____/20</p>
<p>Landscape Pest Management Choose a common Landscape pest from the list below. Research that pest and then create an informative poster, powerpoint, or you can write a 1 page paper about the pest. Make sure you include Pictures, explain what the pest is and how it looks, what the pest does to the plant, and how to get rid of the pest in your project. Pests: Aphid, Caterpillar, Thrips, Stinkbugs, Spidermites, Bark beetles, Mealybugs, Root Weevils, Sawfly, White Fly, Woodborers. Date: ____/____/20</p>	<p>Water landscapes https://www.youtube.com/watch?v=jKqDjTOM7Ew During our landscape map projects, many of you mentioned wanting to do a goldfish pond. Watch the video i've posted above and look at all of the different water landscapes that they show you. Write a 1 paragraph (4-6 Sentences) summary about what you liked and what you learned about the water landscapes. **Bonus points if you add a paragraph about what you think we should add to our garden here at FCHS. Date: ____/____/20</p>	<p>How to Prune Hedges https://youtu.be/7y4T6yv5L1k Watch the video i've linked above about how to properly prune hedges. Write down 5 things you learned about how to properly prune hedges. And answer the question below: Do you like the look of hedges in a landscape? Why or why not? Date: ____/____/20</p>	<p>Landscape Inspiration Tour: https://www.youtube.com/watch?v=EGXd70XKa3s Watch the video I've linked above. Write down 10 things that you liked from the video and 2 things that you think we should try to implement in our landscape here at FCHS. Date: ____/____/20</p>
